## EXPERIENCE

### Start Innovation Hub, Uyo — *Front End Web Mentor*

JANUARY 2021 - PRESENT

Start Innovation Hub is an ICT firm with an innovation lab in Uyo, Nigeria. At Start Innovation hub:

- I train newbies in web development in the basics of HTML, CSS, Bootstrap and Javascript
- I mentor developers in Front End Web Development, for those specialised in Vuejs.

### LeadFrom, uyo — *Front End Web Developer*

JUNE 2021 - PRESENT

LeadFrom is an e-governance infrastructure that makes the delivery of government services easier and convenient. LeadFrom;

- I built the V1 of an admin dashboard using vuejs .
- I partook in building a showcase (landing page).
